

Selwyn Nursery NEWSLETTER

18/05/18

Dear Parents and Carers,

A big thank you to all the parents that turned up for the parents meeting on reading, I hope it helped you all in one way or another to support your child's reading skills. I will confirm the time and date for our next session once we have settled into our new building after half term. Hope to see you all there.

Another big thank you for all the parents who have come into our nursery to read with the children, this is really helping to improve their reading skills, I still need more volunteers so if you have some time to spare please speak to one of the nursery team to organise this.

This is the last newsletter of the half term and the last newsletter to be written in this nursery! All of the team would like to thank all the parents for everything you contribute to the nursery, whether it be a quick chat at the door, reading with the children, showing them a skill and supporting your child at home you have all contributed to this nursery in your own way and we are excited to make new memories and learn new skills in our new nursery. See you all there.

Kind regards,

Constance Amankwah

EYFS Lead (Nursery Teacher)

Nursery Attendance

Here at Selwyn nursery we believe that every child has a right to have a good start in the foundation stage of their education. To achieve this we need to work with you and your child, by first, ensuring that your child attends nursery for their allocated session.

This week in Nursery

It has been such a great week, we really hope the children have told you all about it. Emily's Fire fighter Dad came to the nursery to chat with the children about fire safety, we hope they passed on the messages about how important smoke alarms and fire plans are for your families safety. After the chat the children got to explore a real life fire engine! How exciting. They rode in the front and even tried on some children size uniform, we officially have our own Selwyn Nursery fire brigade. We also had a Royal wedding party where we danced, drank Blackcurrant juice and ate scones. So even though our invite to the wedding most of got lost in the post we still got to celebrate together in style. This all happened just on Friday, the rest of the week we have been super busy like the spider we have been learning about. The children used their fine and gross motor skills to create webs using various materials, they wrote farm animals names, they counted spiders out from the webs and we even popped over to the new building to check out our new Nursery, the children were impressed. For our last full week in this building we defiantly made it one to remember!
