Dear Parents/Carers,

Leyton Orient – Premier League Primary Stars Programme

Your child has been chosen to take part in a fantastic new initiative in collaboration with the Premier League and Leyton Orient FC. The programme is designed to help increase children's enjoyment, participation and skills in sport and other physical activity, develop the personal skills and values they need to achieve their goals and finally support young people to take part in sport, outside school.

This opportunity has been given to Year 4 as the school are looking to prepare children for school competitions in Year 5.

The programme will involve some practical PE sessions and some classroom PSHE work over a 10-week programme and will start on the 23rd April.

As part of the programme Leyton Orient and the Premier League require the school to share some data for the children involved as evidence for the charity. This data includes your child's (Name/Year Group/Ethnicity/SEN status/Gender).

If you do not wish to share this information please complete the slip below by the 20th April and return it to the office. This will not affect your child's ability to participate.

If you are happy to share this data you don't have to do anything.

We look forward to the children taking part in the programme as we continue to look for more fantastic opportunities for our pupils.

Mr Andrew Kuprewicz
P.E Teacher

I do not wish to share my child's data with Leyton Orient FC Foundation or the Premier League.
