Monday 5th March 2018

Dear Parents/Carers,

Closure due to extreme weather warnings

I am writing to thank you all for your understanding during last week's school closure due to extreme weather. The decision to close the school in such circumstances is never an easy one and much consideration is given to the safety of children, staff and the wider community. Following advice from the Meteorological Office and discussions with other local schools, the Governing Body and the Trust Board members, we came to the decision that closing the school was the safest and most practical thing to do. We are happy that this did not last for a very long and that no one was seriously hurt.

We made every attempt to keep you informed about what was happening. I trust you received the text messages and if you did, not please check with the school office that we have up to date contact details for you. Information was also put on the school's website and should the need ever arise to close the school again the website will always be updated with the latest information.

Your children's education remains of paramount importance and teachers will be setting additional tasks that children can do at home to make up for the missed learning time. Although completion of these tasks will be at your discretion, we believe it will be beneficial for your child to complete them.

We thank you again for your support and understanding.

Yours sincerely,

Ms Bogle
Head Teacher
