2nd May 2018

Dear Parents

BIKEABILITY CYCLE TRAINING - FOR CHILDREN IN YEARS 6

We are pleased to inform you that we have the opportunity to offer free Bikeability Level 1 and 2 cycle training to our children in year **6**. The training will be provided by Cycle Confident Ltd who work with the Road Safety department at the council.

Our training will commence the week beginning Monday **21st May for 3 days**

The training will cover both off-road Level 1 training (core basic skills) and then move to on-road Level 2 training on quiet local roads. It is therefore not suitable for children who are complete beginners to cycling. For more information on the training covered please visit: www.cycleconfident.com/courses/school-level12/

The training is carried out by 2 fully accredited National Standards Cycling Instructors with full enhanced DBS (formerly CRB) checks and many years of experience providing this form of training.

Pupils taking part must have their own roadworthy bicycle of an appropriate size in relation to their height. Where bicycles are deemed too small or too big by the cycling instructors, trainees may not be able to attend the course.

Pupils need to be able to bring their bicycle to school for the week. Children also need to bring a cycle helmet or the signed parental consent form needs to indicate that your child does not have to wear one.

If you are happy for your child's bicycle to be used by a child who does not have one while your child is not in training, please make sure you tick the box on the consent form to this effect. This allows children who would otherwise be unable to participate to receive training too.

If you would like your child to take part in the training, please return the attached consent form by **11th May**. Places will be offered on a first come first served basis.

Thank you for your cooperation in this matter.

Yours sincerely

Lisa Bogle
