Dear Parents & Carers,

We did it! We are finally in our new building and have had a brilliant start. It was fantastic to be able to have our first whole school assembly with children from Reception to Year 6 sitting and learning together. Really exciting! This alone made it all worthwhile.

We have already had a number of fire drills and the children and staff did very well at evacuating the building and getting to their assembly points in a timely and safe fashion.

A big thank you to you all for exercising patience while we managed the very busy pick up and drop off times. YOU have made it work!

In the next few weeks, we will be having Occupation Day. This is where we invite members of the school community to come and speak to the children about their jobs in the hope that they will also be inspired and interested in pursue these careers. We have a varied and dynamic school community and would like any members who would like to come and share information about their world of work with the children to contact the school office so that we can arrange a time for you to come in. Do not worry, you will not have to speak to the whole school but we will arrange for you to visit classes! We would like as much support as possible with this.

Thank you again for a smooth start to the term. I hope you are also enjoying the new building.

Kind regards,

Ms L Bogle

Head teacher

Volunteer Readers

If you have a bit of spare time and would like to spend it fruitfully, we always welcome volunteer readers to support us by listening to children read, either on a one-to-one basis or in small groups.

If this would interest you, please speak to Gina or Ms Amankwah.
